

Thank you for volunteering to support Get Into the Guts.
Your help today makes the experience better for our students and presenters.

Please help out per the guidelines below and be sure to return this form to Mr. Peterson with your name and student ID so your volunteer hours are tallied.

Name _____

ID _____

Things to do:

During check in:

- Help presenters set up
- Help welcome and guide school groups to check-in table
- Help students make name tags as they check in

During the program:

- Help presenters with their interactive tables
- Assist with supervision on tours
- One or two people wait for the pizza and help set it up around 10:45am

End of the program:

- Distribute and then collect the surveys and pens
- Input the all the surveys individually into our google form using this link:
