Work-based Learning Subcommittee

- **Overall goals:** Education and exposure
- **Consistent need:** The group is looking at getting more employers involved.
- **The committee is pursuing:**
 - Promotion of past Live Virtual Chat recordings available on HSP YouTube
 - Career Exploration Panel Discussions
 - Virtual Job Shadowing
 - Expanded Work based learning opportunities

Chair: Susan Scott

Get into the Guts Subcommittee

- Expansion/replication of October 27, 2021 Get into the Guts program to more school districts in Weld and Larimer Counties
 - Goal is for students to learn about various healthcare careers through interactive activities and meeting with community organizations

Chair: Nick Peterson

Behavioral Health Committee

Resource Library

- Video interviews located on HSP YouTube Channel
 - We need your help promoting this content!
- Next video: SummitStone Health Partners Co-responder program

If you are interested in this project, please contact JoAnn Herkenhoff or Caroline Bunn.

Forums

- Collaborative forums between education and industry to help better prepare the Behavioral Health future workforce.
 - One forum with CSU/Front Range – will take place on February 24, 2022
 - One forum with UNC/Aims – will take place on April 13, 2022

If you are interested in the forum, contact Anna Von Dreele.

Behavioral Health Committee

Behavioral Health Career Exploratory Event

- Wednesday, March 2, 2022 at UNC - Scheduled to be in person and will have virtual and recorded options
- Open to students from CSU, UNC, Front Range, Aims and high school students
- Opportunities to connect directly with professionals to discuss and to learn from their career pathways.
- The committee is excited to inspire the next generation of behavioral health professionals!

If you are interested in this event, please contact Crystal Smith.
